

*“We ourselves feel that what we are doing is just a drop in the ocean. But the ocean would be less because of that missing drop”*

*-Mother Teresa*

Consider a small act of kindness that you will undertake this week as a service to someone else and capture it on the raindrop. You can write it as a simple statement of what you will do, or a call to action if you would like to encourage others to do the same. Cut your water drop out, decorate it, stick it on your window (facing in) take a picture and pass it on using the hashtag #RSOcean to share your act of kindness with the world outside your window.
