We wish you will be here:

In this discussion, we will dive into the powerful connection between creativity and diversity. Art has the unique ability to tell stories, bridge cultures, and inspire change. From innovative artistic movements to cultural traditions that shape our world, we want to celebrate the voices, perspectives, and talents that make our global community vibrant. If you are between the ages of 13 and 15, join us as we explore the beauty of artistic expression and the impact of diversity in shaping our creative landscape.
