MIGRATION

Round Square Postcard

ROUND
SQUARE

POSTCARD

Migration is a global phenomenon that shapes cultures, economies, and societies. Whether driven by hope, necessity, or opportunity, the movement of people across borders tells powerful stories of resilience and change. In this postcard session, we'll explore the causes and effects of migration and reflect on how it connects to the Round Square IDEALS, especially internationalism and democracy. We are looking forward to you joining us on the call and our meaningful exchanges about our topic!
