ROUND SQUARE

EMPOWERING STUDENT-LED INITIATIVES

POSTCARD

In this Round Square Zoom Postcard, we'll look at the theme of Empowering student-led initiatives. Many students across the world lead activities in their own schools - this will be a chance to connect with people your age across the globe, share the projects you're passionate about, and be inspired by student-led efforts from other schools.

Students should be prepared to discuss a student-led activity they have participated in or observed at their school. Consider the impact, challenges, and outcomes of the initiative.
