

What I Had For Breakfast Poem Smoothie bowl

A bit of smoothness in my mouth
Tastes like mixed berry goodness
The consistency thick
Like smooth chickpea houmous

Toss in a blender frozen berries and ice cream
Mix together and BAM
Goodness in your mouth
Add aussie tim tams

The smell of fruit
Makes us smile
The fruitie goodness
It's the new food style

Crunchy granola added in the mix
Everyone rushes out of bed
Ready for the best breakfast made
Little sister brings her ted
