Sunshine State of Mind: Climate, Culture, and Conservation in Florida

POSTCARD

Join Oxbridge Academy from Florida, the Sunshine State, for an exploration of how climate, culture, and conservation intersect in our daily lives. From coastal ecosystems to urban resilience, we'll look at how communities in Florida and beyond are responding to the challenges—and opportunities—of environmental change.

Together, we'll share local perspectives and innovative ideas for protecting our planet while celebrating our natural and cultural heritage.

We are looking forward to seeing you online to share in this marvellous postcard!
