From PLATE to PLACE: Food as IDENTITY

POSTCARD

Call out for ALL food lovers around the world! Food is more than what we eat to survive. It reflects where we come from, and what we value. Answers to culture, family tradition, religion, history, and geography can all be found in the delicious dishes placed on our dining tables. By discussing the various cuisines, we converse also about the stories behind them, stories that tell who we are.

At the end of the day, we are looking forward to you joining us on the call, or on the FEAST!
