

A postcard from:

COLEGIO LOS NOGALES

POSTCARD

Our postcard presents the idea of **IMPACT**, highlighting how service can become a powerful force for change. **IMPACT** stands for **Initiative, Motivation, Purpose, Action, Community, and Transformation**. It shows that meaningful service begins with initiative, driven by motivation, built with a clear purpose, and turned into action that supports the community and leads to lasting transformation. Through our postcard, we want to show that service is not only about helping others, but about taking responsibility and using our ideas, values, and efforts to create positive change.

We are looking forward to you joining us on the call and discovering how together we can create **IMPACT** through service!
