St Andrew's School for Girls

POSTCARD

Our Round Square International Postcard Zoom call, themed “Protect What Connects Us,” will explore how our shared environment unites people across the world and why it is our collective responsibility to protect it. We will begin the conference with a powerful live drama performance that highlights the impact of human actions on the planet and the importance of sustainable choices. Throughout the session, we will engage in meaningful discussions about environmental challenges such as climate change, pollution, and conservation, while also sharing practical solutions and initiatives that young people can take in their own communities. This conversation will emphasize how, despite our different backgrounds and locations, we are all connected by one Earth and must work together to preserve it for future generations. We look forward to you joining us on the call.

St. Andrew's School for Girls

a Zoom Around the World with Round Square event
