

A postcard from:

POSTCARD

This postcard will focus on how our schools are working to become more environmentally friendly.

We will share and compare the different measures being taken, from everyday initiatives within the school community to wider sustainability projects.

Participants will have the opportunity to exchange ideas, discuss challenges, and explore how schools can contribute to a more sustainable future.

We look forward to you joining us on the call.

Steinmühle

a Zoom Around the World with Round Square event

Title: Best Practice For Our Environment

Date: 3rd June 2026
