**"LEAD THE CHANGE -  
YOUNG MINDS.  
BOLD IDEAS.  
BETTER TOMORROW"**

# POSTCARD

Leadership is not about age or position—it is about vision, courage, empathy, and the determination to make a positive difference.

This theme celebrates the immense potential of young minds to think critically, embrace diverse perspectives, and develop innovative solutions to real-world challenges. It encourages students to recognize that every meaningful change begins with a bold idea and the willingness to take the first step.

Please join us for an insightful conversation and bring your thoughts on what true leadership stands for.

We look forward to seeing you there!

Pre-work: Read the poem "For a Leader" by John O' Donohue. Reflect on the qualities of a true leader described in the poem. Think of a person you admire for their leadership and come to the call ready to discuss one leadership quality you would like to imbibe and one small action you can take to practice it in your daily life.
