Discovering the
Classical Literature of
Our Homelands,*

POSTCARD

Greetings from PKUS! This Round Square event shall concern the most memorable classical literature pieces from the participants' respective regions of origin. From the overarchingly relevant Homeric epics to most influential Roman epic *the Aeneid*, to the Hindu masterpieces *Mahabharata* and *Ramayana* and to Chinese classical works *the Classics of Mountains and Seas* and *Journey to the West*, these prominent ancient works have contributed and continue to contribute to the formulation of regional identity and cultural perceptions, even becoming emblems of the represented civilizations.

During this event, we hope for participants from around the world to have a chance to share the classical works of writing which have held relevant positions in their upbringing.

Can't wait to see your performances in the call!
