CRAFTING THE HORIZON: CREATING A BETTER FUTURE

POSTCARD

Join us for our Round Square Zoom Postcard,
“Crafting the Horizon: Creating a Better Future.”
Together, we will explore how the Round Square IDEALS can be embedded into character education to develop compassionate, responsible and purposeful global citizens.

Inspired by *Atomic Habits*, students will discover how small, positive actions can create lasting change, while *Ikigai* will encourage them to connect their passions, strengths and sense of purpose with the needs of the world.

We look forward to hosting your school!
