EVERYONE DESERVES A VOICE.

POSTCARD

St Andrew's School for Girls invites you to participate in a Round Square Zoom Postcard exploring the theme of **Democracy**, providing students with an opportunity to engage with peers from Round Square schools internationally.

The 90-minute virtual collaboration will focus on sharing ideas, experiences and practical solutions for the effective selection of Student Representative Councils (SRCs). Students will consider different approaches to democratic representation, including election processes, student voice, leadership responsibilities and ensuring that diverse perspectives are heard. The postcard will encourage meaningful discussion, critical thinking and collaboration while strengthening students' understanding of democratic principles and the importance of responsible, inclusive student leadership.
